

Altavilla Vicentina, January, 16th 2025

DECLARATION

By this letter, we would like to confirm that, during the manufacturing process of all Burgo and Mosaico papers, fluorinated compounds PFAS (perfluoroalkyl and polyfluoroalkyl example PFOA, PFOS, PFBA) are not intentionally added as ingredients and/or not used as a processing aid in the formulation.

The absence of these substances is confirmed by external accredited laboratories.

Best Regards

Carlotta Priola
Burgo Group
Sustainability Manager
