

## How to download the Climate Partner CO<sub>2</sub> certificate for a specific Mondi Brand?

1) Choose a brand from the table below and follow the link

| Brandname                            | ClimatePartner ID Tracking Site  |
|--------------------------------------|--|
| BIO TOP3® Extra                      | <a href="http://www.climatepartner.com/53687-1701-1002">www.climatepartner.com/53687-1701-1002</a> |
| Color Copy                           | <a href="http://www.climatepartner.com/53687-1201-1001">www.climatepartner.com/53687-1201-1001</a> |
| NAUTILUS® ProCycle                   | <a href="http://www.climatepartner.com/53687-1909-1001">www.climatepartner.com/53687-1909-1001</a> |
| NAUTILUS® ProCycle high-speed Inkjet | <a href="http://www.climatepartner.com/53687-1909-1001">www.climatepartner.com/53687-1909-1001</a> |
| NAUTILUS® SuperWhite                 | <a href="http://www.climatepartner.com/53687-1201-1002">www.climatepartner.com/53687-1201-1002</a> |
| PERGRAPHICA®                         | <a href="http://www.climatepartner.com/53687-2111-1001">www.climatepartner.com/53687-2111-1001</a> |

2) Click on download certificate and select your desired language. Moreover, you can check the details of the offset orders and projects

The screenshot shows the ClimatePartner website interface. The top navigation bar includes 'ID Tracking', 'Offset project', 'Privacy', and 'Imprint'. The main content area displays 'ClimateID Tracking' for ID '53687-1201-1001'. A dropdown menu for 'Download certificate' is open, listing various languages. The main content area shows 'Mondi Paper Sales GmbH' with an offset of '219,936,371 kg CO<sub>2</sub>' and a supported project 'Hydropower Paraná Brazil'. Below this, the 'Details' page is shown, featuring a table with the following data:

| Collective order description                                   | Supported offset project                  | Total kg CO <sub>2</sub> offset at |
|--|---|------------------------------------|
| <b>Mondi Paper Sales GmbH</b><br>Offset for Paper - Color Copy | 5 different projects<br>Details see below | 219,936,371<br>05.10.2022          |

| Suborder description                         | Supported offset project            | kg CO <sub>2</sub> offset at |
|--|-------------------------------------|------------------------------|
| <b>Color Copy,</b><br>7.13 t,<br>(3655088/1) | <b>Hydropower</b><br>Paraná, Brazil | 1,380<br>05.10.2022          |
| <b>Color Copy,</b><br>7.13 t,<br>(3654897/1) | <b>Hydropower</b><br>Paraná, Brazil | 690<br>05.10.2022            |
